1 BACKGROUND

Following the Mexican general election held 2 June 2024 there is a transitional period for appointment of government officials, including the appointment of the executive management in Pemex. This transition period has caused delay of payments by Pemex to its contractors, including delay on the payment of daily rates under the Rig 1 Pemex Contract and Rig 2 Pemex Contract (the "**Pemex Contracts**"). The Issuer is not expected to receive the resources to pay interest corresponding to the ongoing quarter, which is to be paid on the Interest Payment Date falling on 15 October 2024.

The Issuer is in a constructive dialogue with Pemex and expects to receive payment under the Pemex contracts in the following month. In order to allow time for receipt of payments from Pemex and thereby generate sufficient revenue for the interest payment, the Issuer request that the due date for the interest on the Bonds falling due on 15 October 2024 (the "**October 2024 Interest Amount**") is postponed to the next Interest Payment date being 15 November 2024 (the "**October 2024 Interest Postponement**").

2 PROPOSAL

Based on the foregoing the Issuer hereby proposes the following (the "**Proposal**"):

“The October 2024 Interest Postponement is hereby approved with immediate effect.

The obligations of the Issuer to pay the October 2024 Interest Amount in accordance with Clause 9.2 of the Bond Agreement are deferred, and the October 2024 Interest Amount shall be paid no later than on 15 November 2024 (with interest accruing on the October 2024 Interest Amount at the same interest rate as for the Bonds in the period from 15 October 2024 to 15 November 2024).

The October 2024 Interest Amount shall until it has been paid be kept under a separate ISIN number, not to be merged with the main ISIN number of the Bonds, in accordance with the general procedures of the Securities Depository.

No Event of Default shall occur due to the October 2024 Interest Amount not having been paid on 15 October 2024.

The Bond Trustee is hereby authorised to prepare, approve, finalise and enter into, execute and/or agree any documentation necessary or advisable in relation to the above, in each case in the absolute discretion of the Bond Trustee.”

3 EVALUATION OF THE PROPOSAL

The Proposal is put forward to the Bondholders without further evaluation or recommendation from the Bond Trustee. Nothing herein shall constitute a recommendation to the Bondholders by the Bond Trustee or any of its advisors. The Bondholders must independently evaluate whether the proposal is acceptable and vote accordingly. It is recommended that the Bondholders seek counsel from their legal, financial and tax advisers regarding the effect of the Proposal.

4 WRITTEN BONDHOLDERS' RESOLUTION

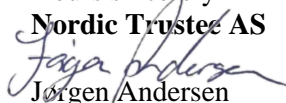

Bondholders are hereby provided with a voting request for a Written Resolution pursuant to Clause 16.5 of the Bond Agreement. For the avoidance of doubt, no Bondholders' Meeting will be held.

For a vote to be valid, the Bond Trustee must have received it by post, courier or email to the address indicated in the enclosed form at Schedule 1 (the "**Voting Form**") no later than 28 October 2024 at 15:00 hours (Oslo time) (the "**Voting Deadline**").

Notwithstanding the Voting Deadline, and subject to the provisions of Clause 16.5.6 of the Bond Agreement, the Proposal will become effective automatically upon receipt of affirmative votes by or on behalf of the Bondholders who at the date of this notice represent such majority of votes as would be required if the Proposal was voted on at a Bondholders' Meeting (which, for the avoidance of doubt, is 2/3 of the Voting Bonds pursuant to Clause 16.3.5 of the Bond Agreement) at which all Bondholders entitled to attend and vote thereat were present and voting.
