Notice of temporary extension

Nordic Trustee & Agency AB (publ) is the appointed agent under the terms and conditions for the abovementioned bond issues (the “**Terms and Conditions**”). All capitalised terms used herein and not otherwise defined in this notice shall have the meanings assigned to them in the Terms and Conditions.

Pursuant to a notice of written procedure dated 8 November 2024, a written procedure was initiated to, among other things, request the Bondholders to approve an extension of the tenor of the Bonds (the “**Written Procedure**”). The deadline for voting in the Written Procedure is 3.00 pm CET on 4 December 2024, whilst the Final Maturity Date is already 2 December 2024. For the voting period for the Written Procedure to properly lapse, we have on the date hereof for technical reasons entered into an amendment agreement with the Issuer (the “**Amendment Agreement**”) pursuant to which the maturity of the Bonds is extended to 17 December 2024. From (and including) 12 December 2024 we have the right to, in our sole discretion, decide whether the Bonds shall be accelerated and to declare all, but not some only, of the outstanding Bonds due and payable together with any other amounts payable under the Finance Documents, immediately or at such later date as we determine and exercise any or all of our rights, remedies, powers and discretions under the Finance Documents. Given that the extension is temporary and for technical reasons for the purpose of the Written Procedure and that we have retained the right to decide whether the Bonds shall be accelerated or not after 12 December 2024, we have decided to enter into the relevant Amendment Agreement on our own mandate based on paragraph (a)(i) of Clause 19 (Amendments and Waivers) of the Terms and Conditions.
