1. Background

The Issuer and its subsidiaries have seen a clear reduction in taxi journeys as a result of actions implemented by the governments in relevant countries, in order to limit the spread and the effects of the COVID-19 epidemic. The effects of the COVID-19 epidemic have had far-reaching effects on people's need for mobility as numerous restrictions have been introduced in the Nordic countries, while people have taken a cautious approach to moving around in society. The demand for taxi services including transportation for elderly and people with physical disabilities, as well as school transportation have decreased noticeably with significant impact on the financial situation of the Issuer.

To mitigate these effects the Issuer and its subsidiaries have taken numerous actions in order to reduce costs and adapt the business to the change in demand. In Sweden, Norway, Finland and Denmark, the Issuer and its subsidiaries have applied for and received support via each country's financial support package. It is the management's assessment that these measures, in combination with cost savings, staff reductions and postponing ongoing development projects will mitigate any further actions for the Issuer to continue its business as outlined in the prospectus prepared by the Issuer dated 3 February 2020, available on www.cabonlinegroup.com, when the effects of the COVID-19 epidemic is eased.

Due to the COVID-19 epidemic, the Issuer is expecting not to be able to meet the requirements set out in Clause 15.2.1 (*Leverage Maintenance Test*) in the Terms and Conditions regarding the Leverage Ratio for the Relevant Period expiring on 30 June 2020 and that great uncertainty is associated with the Issuer meeting the Leverage Ratio for the coming Relevant Periods until the Final Maturity Date.

Due to the significant uncertainties caused by the recent developments of the COVID-19 epidemic the Issuer is therefore requesting a covenant holiday up until the Relevant Period expiring on 31 December 2021 in accordance with the Proposal set out in section 2 (*Proposal for amendments of the Terms and Conditions*) below.

Further, the ratios for the Relevant Periods ending on or after 31 December 2021 need to be adjusted upwards as set forth in section 2 (*Proposal for amendments of the Terms and Conditions*) below.

In addition, as a result of the COVID-19 epidemic the recovery of the business in Finland has been delayed and the Issuer is therefore investigating different options to address these challenges in Finland. Such options include (i) a disposal (by way of a share transfer, merger or otherwise) to a person not being a Group Company of Cabonline Finland Oy, Kovanen Yhtiöt OY, Mankkaan Taksi Oy, Kuljetusliike Kajander Oy, Tilaus 24 h Oy and/or Kovanen Taxi Oy (jointly the "**Finnish Subsidiaries**") provided that such disposal is carried out at fair market value and on arm's length terms, (ii) divesting the operations in the Finnish Subsidiaries or all or part of their assets provided that such divestment is carried out at fair market value and on arm's length terms, and/or (c) terminating the operations in Finland by way of liquidating, dissolving or initiating any other transaction as referred to in paragraphs (f) or (g) in Clause 16.1 of the Terms and Conditions in respect of the Finnish Subsidiaries (any such step or steps herein referred to as the "**Permitted Finnish Reorganisation**"). Certain parts of the Permitted Finnish Reorganisation are not permitted according to the Finance Documents. In order to enable the Issuer to carry out the abovementioned transactions the Issuer seeks the consents of the Noteholders in

accordance with the Proposal set out below in section 2 (*Proposal for amendments of the Terms and Conditions*) below.

The Issuer has informed the Agent that it has received a waiver from Pareto Bank ASA in relation to the Permitted Finnish Reorganisation and the relevant terms of the Super Senior RCF, the Intercreditor Agreement, the Guarantee Agreement and the Finnish law governed Security Documents.

2. Proposal for amendments of the Terms and Conditions

The proposed amendments to the Terms and Conditions are described in summary in the following and are also set out in full in Schedule 3 (*Proposed Amended and Restated Terms and Conditions*), where blue and underlined text indicates additions and ~~red and crossed-out~~ text indicates deletions.

Leverage Maintenance Test – covenant holiday and reset

The Issuer requests that the Noteholders waive the Leverage Maintenance Test for the test dates occurring during the period commencing on 30 June 2020 and ending on 30 September 2021, and proposes that the Leverage Ratio for the test dates occurring thereafter are amended to 7.00:1 for 31 December 2021, 6.75:1 for 31 March 2022, 6.50:1 for 30 June 2022 and 6.25:1 for 30 September 2022.

Inclusion of a monthly maintenance liquidity test

The Issuer proposes that a monthly maintenance liquidity test based on the average liquidity position of the group (including cash and undrawn amounts under the Super Senior RCF) during each calendar month which shall not be less than SEK 125,000,000, and such covenant is to be tested at the end of each calendar month until and including September 2021 and reported within ten business days following the last day of the relevant calendar month (each a “**Liquidity Maintenance Covenant Test Date**”).

Increased Margin

The Issuer proposes that interest rate payable in relation to the Notes is increased with 1.00 per cent. per annum, provided that such increased interest accrued during the period when the liquidity covenant referred to above is tested shall be in the form of PIK interest.

Finnish Reorganisation

The Issuer proposes that flexibility in order to be able to restructure the Finnish part of the group by way of a Permitted Finnish Reorganisation (as defined above), provided that (a) the relevant step for the Permitted Finnish Reorganisation has been initiated no later than on 31 December 2022, (b) the Issuer will issue a press release when the Permitted Finnish Reorganisation has been completed, and (c) it does not have a Material Adverse Effect (for the avoidance of doubt, for which purpose the release of the Finnish Security shall not be deemed to have a Material Adverse Effect as referred to in paragraph (c) in that definition).

In connection with a Permitted Finnish Reorganisation (other than a Permitted Finnish Reorganisation pursuant to paragraph (iii) of the definition of Permitted Finnish Reorganisation), (A) the Transaction Security in respect of shares issued by a Finnish Subsidiary being disposed, and any Transaction Security granted by such Finnish Subsidiary being disposed, shall be released, (B) Transaction Security granted by a Finnish Subsidiary over assets being disposed shall be released and (C) a Finnish Subsidiary being disposed shall be released as a Guarantor.

Consequential amendments

As a consequence of the amendments to the Terms and Conditions proposed by the Issuer, certain consequential amendments and updates to the Terms and Conditions may be required.

Main Shareholder Senior Facility

The above changes shall be conditional upon H.I.G. Luxembourg Holdings 56 Sarl (or its relevant affiliate), (the “**Main Shareholder Senior Lender**”) entering into a commitment of SEK 140,000,000 (the “**Main Shareholder Senior Facility**”) which may be utilised by the Issuer and made available by way of loans to the Issuer (the margin (including any fees or similar) for such financing shall not exceed 5.00 % per annum and no commitment fee or similar shall be payable). Such commitment will have an availability period as long as the Liquidity Maintenance Covenant applies, and if any loans thereunder are disbursed they will be in the minimum amount of SEK 25,000,000 and have a maturity date occurring simultaneously with the maturity for the Notes. The Issuer shall be allowed to, before the relevant Liquidity Maintenance Covenant Test Date, cure any breach of the liquidity covenant referred to above by utilising such loans (in which case the amount received will be deemed to have been available liquidity during the full calendar month). The loans shall rank pari passu with the Notes and shall be permitted to share in the transaction security granted for the Notes, and constitute New Debt (as defined in the Intercreditor Agreement) and the Main Shareholder Senior Lender will accede thereto. In case of a breach of the liquidity covenant referred to above, the Issuer shall have a right to draw down (and, if the Issuer does not, the Security Agent shall have a right to on behalf of the Issuer draw down) any remaining amount under such commitment and the funds will be deposited in a bank account of the Issuer either to remain in such bank account or to be used by the Issuer to satisfy its payment obligations in the ordinary course of business (for the avoidance of doubt, excluding non-ordinary course purposes such as discretionary investments, for example acquisitions).

The proposed amendments to the Terms and Conditions set out in the markup in Schedule 3 (*Proposed Amended and Restated Terms and Conditions*) and for which the Noteholders are requested by the Issuer, subject to the Conditions, to vote on, shall hereinafter be referred to as the “**Proposals**”.

- 2.6 Following a Payment Block Event and for as long as it is continuing, no repayments, payments of Interest, repurchase of Notes or any other payments may be made by the Issuer or a Guarantor to the Noteholders under or in relation to the Notes or a Guarantee (notwithstanding any other provisions to the contrary in these Terms and Conditions) other than in accordance with the Intercreditor Agreement. For the avoidance of doubt, the failure by the Issuer or a Guarantor to timely make any payments due under the Notes or a Guarantee shall constitute an Event of Default and the unpaid amount shall carry default interest pursuant to Clause ~~10.4~~10.1.4. If and when the Payment Block Event ceases to exist, the Issuer and/or the Guarantor shall, for the avoidance of doubt, immediately make the payments and/or repurchases they should have done in relation to the Notes or a Guarantee should the Payment Block Event not have occurred (together with the default interest referred to above).

- 2.8 The Notes are freely transferable but the Noteholders may be subject to purchase or transfer restrictions with regard to the Notes, as applicable from time to time, under local laws to which a Noteholder may be subject. Each Noteholder must ensure compliance with such restrictions at its own cost and expense.

-
- 2.9 No action is being taken in any jurisdiction that would or is intended to permit a public offering of the Notes or the possession, circulation or distribution of any document or other material relating to the Issuer or the Notes in any jurisdiction other than Sweden, where action for that purpose is required. Each Noteholder must inform itself about, and observe, any applicable restrictions to the transfer of material relating to the Issuer or the Notes.

In the event that any such Roll-over Notes are sold to the Issuer, the proceeds of the Initial Notes will be used by the Issuer to repurchase such Roll-over Notes at 101.375 per cent. of their nominal amount plus accrued but unpaid interest thereon. Thereafter, the Net Proceeds from the Initial Notes shall be deposited in the Escrow Account.
- 3.2 Upon release from the Escrow Account, the Issuer shall use the amount standing to the credit on the Escrow Account, for (i) *first*, repayment of principal and payment of accrued but unpaid interest under the Existing Financing, and (ii) *secondly*, investments and acquisitions or general corporate purposes of the Group.

- 5.3 The Agent does not review the documents and evidence referred to in Clause 5.2 from a legal or commercial perspective of the Noteholders. The Agent may assume that the documentation delivered to it pursuant to Clause 5.2 is accurate, correct and complete unless it has actual knowledge that this is not the case, and the Agent does not have to verify the contents of any such documentation.

The Agent is not responsible for the content, due execution, legal validity or enforceability of the Finance Documents or the perfection of the Transaction Security.

- 22.2.2 The Agent is not obligated to actively assess or monitor (i) the financial condition of the Issuer or any Group Company, (ii) the compliance by the Issuer or any Group Company of the terms of the Finance Documents (unless expressly set out in the Finance Documents) or (iii) whether an Event of Default (or any event that may lead to an Event of Default) has occurred or not (unless expressly set out in the Finance Documents).
- 22.2.3 The Agent only acts in accordance with the Finance Documents and upon instructions of the Noteholders, unless otherwise set out in the Finance Documents. When acting in accordance with the Finance Documents, the Agent is always acting with binding effect on behalf of the Noteholders. The Agent shall act in the best interest of the Noteholders as a group and carry out its duties under the Finance Documents in a reasonable, proficient and professional manner, with reasonable care and skill.
- 22.2.4 The Agent is entitled to delegate its duties to other professional parties, without having to first obtain any consent from the Issuer or the Noteholders, but the Agent shall remain liable for the actions of such parties under the Finance Documents.
- 22.2.5 The Agent shall treat all Noteholders equally and, when acting pursuant to the Finance Documents, act with regard only to the interests of the Noteholders and shall not be required to have regard to the interests or to act upon or comply with any direction or request of any other person, other than as explicitly stated in the Finance Documents.
- 22.2.6 The Agent is entitled to engage external experts when carrying out its duties under the Finance Documents. The Issuer shall on demand by the Agent pay all costs for external experts engaged:
- (a) after the occurrence of an Event of Default;
 - (b) for the purpose of investigating or considering:
 - (i) an event or circumstance which the Agent reasonably believes is or may lead to an Event of Default,
 - (ii) a matter relating to the Issuer, the Transaction Security or the Guarantees which the Agent reasonably believes may be detrimental to the interests of the Noteholders under the Finance Documents; or
 - (c) as agreed between the Agent and the Issuer.

Any compensation for damages or other recoveries received by the Agent from external experts engaged by it for the purpose of carrying out its duties under the Finance Documents shall be distributed in accordance with Clause 17 (*Distribution of proceeds*).

-
- 22.2.7 The Agent shall, as applicable, enter into agreements with the CSD, and comply with such agreement and the CSD Regulations applicable to the Agent, as may be necessary in order for the Agent to carry out its duties under the Finance Documents.
- 22.2.8 Unless it has actual knowledge to the contrary or has strong reason to believe otherwise, the Agent may assume that all information provided by or on behalf of the Issuer (including by its advisors) is correct, true and complete in all aspects.
- 22.2.9 Notwithstanding any other provision of the Finance Documents to the contrary, the Agent is not obliged to do or omit to do anything if it would or might in its reasonable opinion constitute a breach of any law or regulation.
- 22.2.10 If in the Agent's reasonable opinion the cost, loss or liability which it may incur (including reasonable fees to the Agent) in complying with instructions of the Noteholders, or taking any action at its own initiative, will not be covered by the Issuer or the Noteholders (as applicable), the Agent may refrain from acting in accordance with such instructions, or taking such action, until it has received such funding or indemnities (or adequate Security has been provided therefore) as it may reasonably require.
- 22.2.11 The Agent shall give a notice to the Noteholders (i) before it ceases to perform its obligations under the Finance Documents by reason of the non-payment by the Issuer of any fee or indemnity due to the Agent under the Finance Documents or the Agency Agreement or (ii) if it refrains from acting for any reason described in Clause 22.2.10.
- 22.3 **Limited liability for the Agent**
- 22.3.1 The Agent will not be liable to the Noteholders for damage or loss caused by any action taken or omitted by it under or in connection with any Finance Document, unless directly caused by its negligence or wilful misconduct. The Agent shall never be responsible for indirect loss.
- 22.3.2 The Agent shall not be considered to have acted negligently if it has acted in accordance with advice from or opinions of reputable external experts addressed to the Agent or the Noteholders (as applicable) or if the Agent has acted with reasonable care in a situation when the Agent considers that it is detrimental to the interests of the Noteholders to delay the action in order to first obtain instructions from the Noteholders.
- 22.3.3 The Agent shall not be liable for any delay (or any related consequences) in crediting an account with an amount required pursuant to the Finance Documents to be paid by the Agent to the Noteholders, provided that the Agent has taken all necessary steps as soon as reasonably practicable to comply with the regulations or operating procedures of any recognised clearing or settlement system used by the Agent for that purpose.
- 22.3.4 The Agent shall have no liability to the Noteholders for damage caused by the Agent when acting in accordance with instructions of the Noteholders or a demand by Noteholders, in each case, in accordance with the Finance Documents.
- 22.3.5 Any liability towards the Issuer which is incurred by the Agent in acting under, or in relation to, the Finance Documents shall not be subject to set-off against the obligations of the Issuer to the Noteholders under the Finance Documents.

22.4 Replacement of the Agent

- 22.4.1 Subject to Clause 22.4.6, the Agent may resign by giving notice to the Issuer and the Noteholders, in which case the Noteholders shall appoint a successor Agent at a Noteholders' Meeting convened by the retiring Agent or by way of Written Procedure initiated by the retiring Agent.
- 22.4.2 Subject to Clause 22.4.6, if the Agent is Insolvent, the Agent shall be deemed to resign as Agent and the Issuer shall within ten (10) Business Days appoint a successor Agent which shall be an independent financial institution or other reputable company which regularly acts as agent under debt issuances.
- 22.4.3 A Noteholder (or Noteholders) representing at least ten (10) per cent. of the Adjusted Nominal Amount may, by notice to the Issuer (such notice may only be validly given by a person who is a Noteholder on the Business Day immediately following the day on which the notice is received by the Issuer and shall, if given by several Noteholders, be given by them jointly), require that a Noteholders' Meeting is held for the purpose of dismissing the Agent and appointing a new Agent. The Issuer may, at a Noteholders' Meeting convened by it or by way of Written Procedure initiated by it, propose to the Noteholders that the Agent be dismissed and a new Agent appointed.
- 22.4.4 If the Noteholders have not appointed a successor Agent within ninety (90) days after (i) the earlier of the notice of resignation was given or the resignation otherwise took place or (ii) the Agent was dismissed through a decision by the Noteholders, the Issuer shall appoint a successor Agent which shall be an independent financial institution or other reputable company which regularly acts as agent under debt issuances.
- 22.4.5 The retiring Agent shall, at its own cost, make available to the successor Agent such documents and records and provide such assistance as the successor Agent may reasonably request for the purposes of performing its functions as Agent under the Finance Documents.
- 22.4.6 The Agent's resignation or dismissal shall only take effect upon the appointment of a successor Agent and acceptance by such successor Agent of such appointment and the execution of all necessary documentation to effectively substitute the retiring Agent.
- 22.4.7 Upon the appointment of a successor, the retiring Agent shall be discharged from any further obligation in respect of the Finance Documents but shall remain entitled to the benefit of the Finance Documents and remain liable under the Finance Documents in respect of any action which it took or failed to take whilst acting as Agent. Its successor, the Issuer and each of the Noteholders shall have the same rights and obligations amongst themselves under the Finance Documents as they would have had if such successor had been the original Agent.
- 22.4.8 In the event that there is a change of the Agent in accordance with this Clause 22.4, the Issuer shall execute such documents and take such actions as the new Agent may reasonably require for the purpose of vesting in such new Agent the rights, powers and obligation of the Agent and releasing the retiring Agent from its further obligations under the Finance Documents and the Agency Agreement. Unless the Issuer and the new Agent agree otherwise, the new Agent shall be entitled to the same fees and the same indemnities as the retiring Agent.

23. APPOINTMENT AND REPLACEMENT OF THE ISSUING AGENT

- 23.1 The Issuer appoints the Issuing Agent to manage certain specified tasks under these Terms and Conditions and in accordance with the legislation, rules and regulations applicable to and/or issued by the CSD and relating to the Notes.
- 23.2 The Issuing Agent may retire from its assignment or be dismissed by the Issuer, provided that the Issuer has approved that a commercial bank or securities institution approved by the CSD accedes as a new Issuing Agent at the same time as the existing Issuing Agent retires or is dismissed. If the Issuing Agent is Insolvent, the Issuer shall immediately appoint a new Issuing Agent, which shall replace the old Issuing Agent as issuing agent in accordance with these Terms and Conditions.
- 23.3 The Issuing Agent will not be liable to the Noteholders for damage or loss caused by any action taken or omitted by it under or in connection with any Finance Documents, unless directly caused by its gross negligence or wilful misconduct. The Issuing Agent shall never be responsible for indirect or consequential loss.

24. APPOINTMENT AND REPLACEMENT OF THE CSD

- 24.1 The Issuer has appointed the CSD to manage certain tasks under these Terms and Conditions and in accordance with the CSD Regulations and the other regulations applicable to the Notes.
- 24.2 The CSD may retire from its assignment or be dismissed by the Issuer, provided that the Issuer has effectively appointed a replacement CSD that accedes as CSD at the same time as the old CSD retires or is dismissed and provided also that the replacement does not have a negative effect on any Noteholder or the listing of the Notes on the Regulated Market. The replacing CSD must be authorised to professionally conduct clearing operations pursuant to the Securities Markets Act (*lagen (2007:528) om värdepappersmarknaden*) and be authorised as a central securities depository in accordance with the Financial Instruments Accounts Act.

25. NO DIRECT ACTIONS BY NOTEHOLDERS

- 25.1 A Noteholder may not take any steps whatsoever against any Group Company or with respect to the Transaction Security or the Guarantees to enforce or recover any amount due or owing to it pursuant to the Finance Documents, or to initiate, support or procure the winding-up, dissolution, liquidation, company reorganisation (*företagsrekonstruktion*) or bankruptcy (*konkurs*) (or its equivalent in any other jurisdiction) of any Group Company in relation to any of the obligations and liabilities of such Group Company under the Finance Documents. Such steps may only be taken by the Agent.
- 25.2 Clause 25.1 shall not apply if the Agent has been instructed by the Noteholders in accordance with the Finance Documents to take certain actions but fails for any reason to take, or is unable to take (for any reason other than a failure by a Noteholder to provide documents in accordance with Clause 22.1.2), such actions within a reasonable period of time and such failure or inability is continuing. However, if the failure to take certain

actions is caused by the non-payment of any fee or indemnity due to the Agent under the Finance Documents or the Agency Agreement or by any reason described in Clause 22.2.10, such failure must continue for at least forty (40) Business Days after notice pursuant to Clause 22.2.11 before a Noteholder may take any action referred to in Clause 25.1.

- 25.3 The provisions of Clause 25.1 shall not in any way limit an individual Noteholder's right to claim and enforce payments which are due to it under Clause 11.7 (*Mandatory repurchase due to a Change of Control Event or a Listing Failure Event (put option)*) or other payments which are due by the Issuer to some but not all Noteholders.

26. PRESCRIPTION

- 26.1 The right to receive repayment of the principal of the Notes shall be prescribed and become void ten (10) years from the Redemption Date. The right to receive payment of interest (excluding any capitalised interest) shall be prescribed and become void three (3) years from the relevant due date for payment. The Issuer is entitled to any funds set aside for payments in respect of which the Noteholders' right to receive payment has been prescribed and has become void.

- 26.2 If a limitation period is duly interrupted in accordance with the Swedish Act on Limitations (*preskriptionslagen (1981:130)*), a new limitation period of ten (10) years with respect to the right to receive repayment of the principal of the Notes, and of three (3) years with respect to receive payment of interest (excluding capitalised interest) will commence, in both cases calculated from the date of interruption of the limitation period, as such date is determined pursuant to the provisions of the Swedish Act on Limitations.

If the Issuer does not promptly issue a press release and the Agent considers it necessary to issue a press release containing such information before it can lawfully send a notice containing such information to the Noteholders, the Agent shall be entitled to issue such press release.

28. **FORCE MAJEURE AND LIMITATION OF LIABILITY**

28.1 Neither the Agent nor the Issuing Agent shall be held responsible for any damage arising out of any legal enactment, or any measure taken by a public authority, or war, strike, lockout, boycott, blockade, natural disaster, insurrection, civil commotion, terrorism or any other similar circumstance (a “**Force Majeure Event**”). The reservation in respect of strikes, lockouts, boycotts and blockades applies even if the Agent or the Issuing Agent itself takes such measures, or is subject to such measures.

28.2 The Issuing Agent shall have no liability to the Noteholders if it has observed reasonable care. The Issuing Agent shall never be responsible for indirect damage with exception of gross negligence and wilful misconduct.

28.3 Should a Force Majeure Event arise which prevents the Agent or the Issuing Agent from taking any action required to comply with these Terms and Conditions, such action may be postponed until the obstacle has been removed.

28.4 The provisions in this Clause 28 apply unless they are inconsistent with the provisions of the Financial Instruments Accounts Act which provisions shall take precedence.

The submission to the jurisdiction of the Swedish courts shall however not limit the right of the Agent (or the Noteholders, as applicable) to take proceedings against the Issuer in any court which may otherwise exercise jurisdiction over the Issuer or any of its assets.
